Arman of Middletown for a half interest in King Segis Pontine Actra, a twelve-year-old Holstein Friesian bull. BEWARE OF THESE ORIENTAL FAIRIES

The Eastern papers are warning the benevolent against a band of Syrians, Armenians, and Chaldeans who have headquarters in New York and are going through the country asking for money on behalf of churches, orphan asylums, etc., which they pretend to be conducting in Turkey. They carry photographs which they falsely say are pictures of these institutions. It is a good rule to give traveling foreigners out on begging tours nothing.

IF YOU MUST DRINK BOOZE.

(Kansas City Star.) Mrs. James Watson, editor and publisher of the Dearborn, Mo., Democrat has the following suggestion to make to booze fighters: "To the married man who cannot get along without his drinks, we suggest the following as a means of freedom from the bondage of the habit. Start a saloon in your own house. Be the only customer. You will have no license to pay. Go to your wife and give her \$2 to buy a gallon of whisky and remember there are sixty-nine drinks in one gallon. Buy your drinks from no one except your wife, and by the time the first gallon is gone, she will have \$8 to put in the bank and \$2 to start business again. Should you live ten years and continue to buy booze from her and then die with snakes in your boots, she will have money to bury you decently, educate your children, buy a house and quit thinking about you."

COULD SCARCELY WALK ABOUT

And For Three Summers Mrs. Vincent Was Unable to Attend to Any of Her Housework.

Pleasant Hill, N. C.—"I suffered for three summers," writes Mrs. Walter Vincent, of this town, "and the third and last time, was my worst. I had dreadful nervous headaches and prostration, and was scarcely able to walk about. Could not do any of my housework. I also had dreadful pains in my back and sides and when one of those weak, sinking spells would come on me, I would have to give up and lie down, until it wore off. I was certainly in a dreadful state of health, when I finally decided to try Cardui, the woman's tonic, and I firmly believe I would have died if I hadn't taken it. After I began taking Cardui, I was greatly helped, and all three bottles relieved me entirely. I fattened up, and grew so much stronger in three months, I felt like another person altogether. Cardui is purely vegetable and gentle-acting. Its ingredients have a mild, tonic effect, on the womanly constitution. Cardui makes for increased strength, improves the appetite, tones up the nervous system, and helps to make pale, sallow cheeks, fresh and rosy. Cardui has helped more than a million weak women, during the past 50 years. It will surely do for you, what it has done for them. Try Cardui today. Write for Chastanooga Medicine Co., Ladies' Advisory Dept., Chattanooga, Tenn., for special instructions on your case and 64-page book, 'How to Treat Women,' sent in plain wrapper. J. C.

CRYING FOR HELP

Lots of It in Maysville But Daily Growing Less.

The kidneys often cry for help. Not another organ in the whole body more delicately constructed. Not one more important to health. The kidneys are the filters of the blood. When they fail the blood becomes foul and poisonous. There can be no health where there is poisoned blood. Backache is one of the frequent indications of kidney trouble. It is often the kidney's cry for help. Read what Doan's Kidney Pills have done for overworked kidneys. Read what Doan's have done for Maysville people.

Lang Stevens, Maysville, Ky., says: "My kidneys were out of order and I had backache, which extended into my kidneys. The kidney action was irregular. Doan's Kidney Pills had been used in my family, so I gave them a trial. They helped me greatly." Mr. Stevens is only one of many Maysville people who have gratefully endorsed Doan's Kidney Pills. If your back aches—If your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for Doan's Kidney Pills, the same that Mr. Stevens had—the remedy backed by home testimony. 50c all stores.
